

# Hightened Path RV Rental

## Pet Policy

This coach does allow pets in the unit. There is a \$200 fee to allow for pets. This covers steam cleaning upholstery and carpets. If the unit has mostly hard flooring the fee can be reduced to \$100.

### PET GUIDELINES:

- Your pet needs to be less than 60lbs.
- Your pet needs to be in a kennel while the vehicle is in motion or securely on your lap. Motorhomes drive much differently than cars and have a little more sway to them.
- Your pet cannot be directly on the furniture. This includes sofa, bed, dinette, table, loft etc.
- When the vehicle is stopped you pet is free to roam around.

### ADDITIONAL DAMAGE:

The \$200 fee is for cleaning purposes only; it does not cover any additional damage. Any additional damage from your pet, will incur additional fees to cover the damages.
